NeighborReady Network

Neighbors helping neighbors.

A free volunteer network led by Crystal Melton. Offer a little time, share a skill, or ask a neighbor for help. Starting in Clarksville, Jeffersonville, Sellersburg, and New Albany.

Free participation - no dues

neighborreadynetwork.org/member/register

Create your account, verify your email, and sign in to request or offer help, suggest a check-in, RSVP, or join discussions. Requests stay linked to your account and visible in your dashboard.

Browse free resources

Guides, videos, podcasts, and local resources are free to browse.

Account or accessibility help

neighborreadynetwork@gmail.com
For help getting into or using your account. Requests for assistance use the signed-in website forms. Never send passwords, verification links, or sensitive documents.

What happens next

Crystal reviews requests personally. A request does not confirm a visit, ride, supplies, or care. Help must be agreed first. Crystal reviews messages daily in the early evening and aims to respond within one day.

For immediate emergencies, call 911.

This project is not continuously monitored or an emergency service.
